

WRITTEN COMMENTS

§ 11.41 Who may file comments?

Anyone may file written comments about proposals and final rules that request public comments.

§ 11.43 What information must I put in my written comments?

(a) Your written comments must be in English and must contain the following:

(1) The docket number of the rulemaking document you are commenting on, clearly set out at the beginning of your comments.

(2) Your name and mailing address, and, if you wish, other contact information, such as a fax number, telephone number, or e-mail address.

(3) Your information, views, or arguments, following the instructions for participation in the rulemaking document on which you are commenting.

(b) You should also include all material relevant to any statement of fact or argument in your comments, to the extent that the material is available to you and reasonable for you to submit. Include a copy of the title page of the document. Whether or not you submit a copy of the material to which you refer, you should indicate specific places in the material that support your position.

§ 11.45 Where and when do I file my comments?

(a) Send your comments to the location specified in the rulemaking document on which you are commenting. If you are asked to send your comments to the Federal Document Management System, you may send them in either of the following ways:

(2) Through the Internet to <http://www.regulations.gov>.

(3) In any other manner designated by FAA.

(b) Make sure that your comments reach us by the deadline set out in the rulemaking document on which you are commenting. We will consider late-filed comments to the extent possible

only if they do not significantly delay the rulemaking process.

(c) We may reject your paper or electronic comments if they are frivolous, abusive, or repetitious. We may reject comments you file electronically if you do not follow the electronic filing instructions at the Federal Docket Management System Web site.

§ 11.47 May I ask for more time to file my comments?

Yes, if FAA grants your request for more time to file comments, we grant all persons the same amount of time. We will notify the public of the extension by a document in the FEDERAL REGISTER. If FAA denies your request, we will notify you of the denial. To ask for more time, you must file a written or electronic request for extension at least 10 days before the end of the comment period. Your letter or message must—

(a) Show the docket number of the rule at the top of the first page;

(b) State, at the beginning, that you are requesting an extension of the comment period;

(c) Show that you have good cause for the extension and that an extension is in the public interest;

(d) Be sent to the address specified for comments in the rulemaking document on which you are commenting.

PUBLIC MEETINGS AND OTHER PROCEEDINGS

§ 11.51 May I request that FAA hold a public meeting on a rulemaking action?

Yes, you may request that we hold a public meeting. FAA holds a public meeting when we need more than written comments to make a fully informed decision. Submit your written request to the address specified in the rulemaking document on which you are commenting. Specify at the top of your letter or message that you are requesting that the agency hold a public meeting. Submit your request no later than 30 days after our rulemaking notice. If we find good cause for a meeting, we will notify you and publish a

§ 11.53

notice of the meeting in the FEDERAL REGISTER.

§ 11.53 What takes place at a public meeting?

A public meeting is a non-adversarial, fact-finding proceeding conducted by an FAA representative. Public meetings are announced in the FEDERAL REGISTER. We invite interested persons to attend and to present their views to the agency on specific issues. There are no formal pleadings and no adverse parties, and any regulation issued afterward is not necessarily based exclusively on the record of the meeting.
